

REBOUNDERS & BACKBOARDS

Rally Champion™ Backboards

Standard Models:

8' x 8' (Item # 34830)

8' x 12' (Item # 34832)

8' x 16' (Item # 34834)

Deluxe Models:

8' x 8' (Item # 34830A)

8' x 12' (Item # 34832A)

8' x 16' (Item # 34834A)

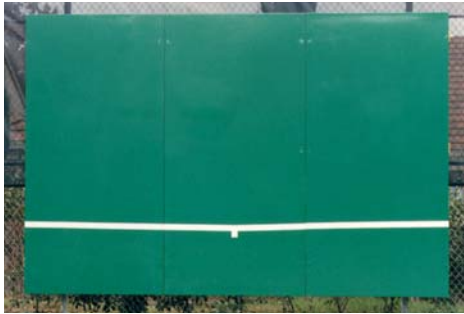

- A dual-curved and tilted multi-sport backboard that rebounds balls with extraordinary realism
- Curved and beveled framing is crafted, primed and painted from hand picked Douglas Fir
- Weatherproof hitting surfaces are meticulously primed and painted
- Optional 3' high containment netting comes ready to install and is recommended, depending on the fence height behind your backboard
- Includes touch-up paint plus hardware to install against a tennis court fence or vertical posts
- Available striped and taped for tennis, baseball and/or soccer
- Deluxe Rally Champion models also include a 3' containment net to catch errant balls and a sound reduction kit to keep ball rebound noise to a minimum.
- 2 Year limited warranty

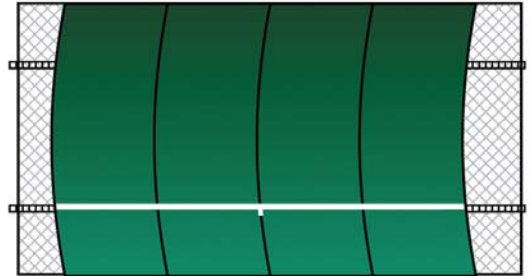

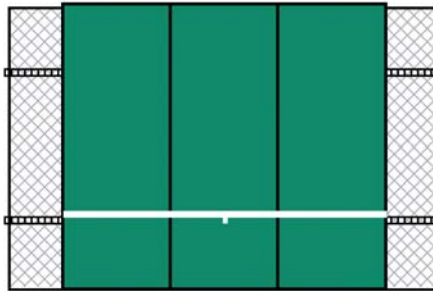

Douglas® Fence Mount Rebounder (Item # 64800)

- Attaches to virtually any tennis fence and posts
- Adjust the mounting brackets to fit your fence post width
- Measures 18' w x 8' h
- Constructed of durable 16 gauge, 1.66" OD steel
- Black polyester powder coat finish for maximum weather resistance
- Heavy-duty #420, 1-1/2" square mesh
- Black net is weather and UV resistant
- Includes webbing strap to set realistic tennis net height on rebounder

Bakko Backboards

- Encased in thick fiberglass and gel coat
- Coated with solar and impact resistant Imron paint
- 10 Year pro-rated warranty on backboard structure
- 1 Year warranty on Imron paint
