Finishing Options

Douglas® carries a wide selection of high quality netting materials and mesh sizes that can be customized to meet your specific needs and applications. All Douglas netting has reinforced vinyl edging with grommets or is rope bound per your specifications.

Douglas® netting is hung on the square to reduce sag and improve appearance. Netting is available in mesh sizes ranging from 7/8" to 4" square. Available colors include: black, green and white.

Reinforced Vinyl Edging
Provides the netting with added strength while keeping the nets shape. Reinforced double stitched vinyl also gives the net a sharp appearance. Optional brass grommets are shown.

Rope Border
Simple and easy installation.

Rope Border on #18 Twisted Knotted Plateena netting
