

FIELD COVERS AND SYNTHETIC TURF

Floating Handle will not rip and tear out

Full Field Covers

Standard, 5.3 oz -9 mil.

160' x 161' (Item # 36971)

165' x 167' (Item # 36970)

120' x 121' (Item # 36972)

Premium, 6.3 oz -12 mil.

160' x 161' (Item # 36971P)

165' x 167' (Item # 36970P)

120' x 121' (Item # 36972P)

- Covers are made from a high-strength top quality reinforced polyethylene
- Material is super light weight and is UV, mold and mildew resistant
- All seams are heat-sealed and perimeters are reinforced for extra durability
- Covers are reversible green and white in color
- Convenient "floating" handles are spaced every 10' around the perimeter and are far superior to the old sewn handles that can rip and tear out
- All covers include sand bags (sand not included) and a storage cover (please specify roller size for cover when ordering)
- Premium and Standard covers include a double polyurethane coating for increased durability and overall life

Tarp Rollers

20'L (1 section) (Item # 36662)

30'L (2 sections) (Item # 36663)

40'L (2 sections) (Item # 36664)

- Rollers are available in lengths of 20', 30' and 40'
- Constructed of high-density plastic with a corrugated exterior and a smooth interior
- Outer diameter is 30"
- 30' rollers consist of one 20' section, one 10' section and one coupler
- 40' rollers consist of two 20' sections and one coupler

Custom Protective Cover for Field Tarps

- Constructed of 14 oz vinyl
- Available in 20 colors
- Available in lengths of 20', 30' and 40'
- White block letters are available to spell your team or mascot

Synthetic Turf

- Durable indoor/outdoor synthetic turf is sold in three grades: standard, deluxe and supreme
- The turf is ideal for batting tunnels and cages in indoor applications to protect gym floors from being damaged
- The synthetic turf is also great for outdoor uses, reducing maintenance in high wear areas such as dugouts, baselines, and batting tunnels
- All three grades come with a 5mm foam backing and can be glued down
- Must order minimum of 10' x 12'

Standard (Item # 36807)

Good quality turf for steel cleat traffic, not pivoting. Comes in 12' W rolls only.

Deluxe (Item # 36808)

Very good quality turf, not for consistent pivoting. Comes in 12' W rolls only.

Supreme (Item # 36809)

Our very best turf constructed to withstand pivoting steel cleats. Available in 12' or 15' W rolls.
