

Parts Lists:

- A (2) - 6'8-1/4"
- B (1) - 8' with two 1' bends
- C (1) - 7'8"
- D (2) - 5' (legs)
- E (2) - 21-8 Key Klamps (leg attachment)

- (1) - Hardware Bag
- (4) - Leg end caps
- (1) - Slip-on Net
- (1) - Pro Wheel Kit
- (1) - 5/16" Hex Key Wrench

Required Tools:

- 2-7/16" wrench

Directions:

Assemble frame parts on a flat surface. Once completed, raise and insert legs through key klamps. Place caps on the ends of legs and tighten hex keys with the provided wrench to secure. Slip the net over the top of the frame as you would a pillow case.
